

# Air N Arc® 250 ALL-IN-ONE Power System®

Welder | generator | air compressor | battery booster  
Perfect Machine for Medium to Heavy Industrial Work

The Air N Arc® 250 offers the power you need for all your mobile workshop needs, such as: electrical for most power tools, air with maximum continuous capacity of 1" impact wrench and welding for medium to heavy industrial repair, 250 amp at 100% duty cycle.

## Specifications

Engine:	25 HP EFI Kohler
Compressor Type:	Reciprocating
Generator Wattage:	5,000 continuous watts AC power 120V/240V
Welder Amperage:	250 amps high frequency CC/DC, CV/DC at 100% duty cycle
Battery Charger:	300 amps 12V charge and 12V/24V boost
Max Pressure (psi):	175
CFM Rating :	24 cfm
Air Storage Capacity:	30 gallon or Remote Tank
Drive System :	Dual V-belt/serpentine
Fuel Capacity (gal):	12
Weight (lbs.):	500-725
Dimensions(Skid - in.):	23.125W x 47.5L x 27H
Dimensions(30 gal - in.):	24W x 47.5L x 43H

*Product improvement is a continuing goal. Design and specifications are subject to change without notice or obligations.*

## Special Features

- TRUE 2 generator system for safe multi-function of welder and electric tools
- All the benefits of a high frequency welder offering excellent weld characteristics - 100% duty cycle
- CV MIG capability
- One unit to start all your equipment with battery charge and boost capability offering: 12V charge, 12V/24V boost
- Cast iron air pump (dual stage - 175 psi max)
- Reliable and easy starting fuel injected Kohler engine
- Electric start
- Auto throttle control
- Drive System Heavy duty belt drive system for anti-vibration and long service intervals
- Totally self-contained, but can be integrated with the chassis for maximum versatility
- Available in either 30 gallon or remote tank configuration
- Integrated lift hook and battery tray
- Designed for easy maintenance and fuel efficiency
- Powder coated sheet metal
- Galvannealed steel

## Options & Accessories

- Remote mount control panel
- Weld cables - 25', 50'
- Welding helmet with auto-darkening lense
- Battery booster cables
- Cable extension - 25', 50'
- Electric fuel pump
- Fuel tank – slimline 11 gal
- Remote air tank options
- Remote condensation drain
- Cold weather kit
- Maintenance kit
- Dry cell battery
- Welding rods
