

## Lube Meter 200

The LM-200-Q8N mechanical oil meter with strainer is factory calibrated for use with Hydraulic fluid and up to 30 weight oil. This oil meter can be field calibrated for other fluids like oil and solvent.

## SPECIFICATIONS

Design Type	Nutating Disc
Fitting	NPT
Mechanical Connection	1 in. Inlet 1 in. Outlet
Accuracy	±2 % of reading
Flow Range	16 to 80 QPM 15 to 76 LPM
Display	Mechanical 4 Digits
Reads	Quarts
Wetted Materials	Aluminum
Pressure Rating	50 PSI
Model	LM-200-Q8N
Warranty	1 Year
