

# Viper Gas - 60 to 80 CFM

## Gas-powered Transportability

Mobile power when and where you need it, along with the flexibility of a gas-powered, rotary screw air compressor, truly gives you the “best of all worlds.” The Viper offers heavy-duty power, on or off your truck bed, and the flexibility that only a transportable unit can offer. The Viper is ideal for monument engraving, irrigation service, rental markets, post pounding, directional boring, and general construction.
