

## Marlow Series – 3B Series Cast Iron Swimming Pool Pumps

Self-priming centrifugal swimming pool pumps with integral suction strainer for commercial pool applications.

3B28EC – 3B32EC

### Features and Benefits

- Cast Iron Construction
- High Efficiency Impeller
- Multi-vane Replaceable Diffuser
- Rugged Casing with 4" Suction and 3" Discharge Female NPT Pipe Connections
- Integral Suction Strainer with Stainless Steel Basket
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Nationally Known Brand JM Shaft Motor
- NSF Certified

## Marlow Series – 4SPC Series Swimming Pool Pump

Self-priming centrifugal swimming pool pumps with integral suction strainer for use on larger commercial pool and waterpark applications.

### Features and Benefits

- Rugged Cast Construction
- High Efficiency Bronze Impeller
- Multi-vane Cast Iron Replaceable Diffuser
- Cast Iron Casing with 6" Suction and 4" Discharge Female Flanged Pipe Connections – Integral Suction Strainer with Stainless Steel Basket
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Nationally Known Brand JP Shaft Motor
- NSF Certified

# Marlow Series – 530 Series Swimming Pool Pumps

End suction centrifugal pump lines available in both close coupled and frame mounted configurations allow users to meet exactly most flow conditions on commercial pool and waterpark applications.

## Features and Benefits

- Rugged Cast Iron Construction
- Highly Efficient, Enclosed Bronze Impeller
- Cast Iron Casing with 125# Flat Face Flange Connections
- Broad Hydraulic Coverage
- Replaceable Shaft Sleeve Protects Shaft
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Nationally Known Brand Motors
- NSF Certified

## Marlow Series – 580 Series Swimming Pool Pumps

In-line centrifugal pump designed to fit in equipment rooms with limited space available.

### Features and Benefits

- Rugged Cast Iron Construction
- Highly Efficient, Enclosed Bronze Impeller
- Cast Iron Casing with 125# Flat Face Flange Connections
- Broad Hydraulic Coverage
- Replaceable Shaft Sleeve Protects Shaft
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Nationally Known Brand Motors
- NSF Certified

## Marlow Series – 610 and 710 Horizontal Split-Case Waterpark Pumps

These pumps are perfect for high flow, high pressure water park applications.

### Features and Benefits

- Rugged Cast Iron Construction
- Cast Iron casing
- Enclosed, Double Suction Type Bronze Impeller
- Internally Self-flushing Mechanical Seals
- Broad Hydraulic Coverage
- 416SS High Strength Shaft
- Ease of Maintenance
- Seals and Bearings Can Be Serviced Without Disturbing Upper Casing Half, Piping Connections or Motor Connection
- NSF Certified

## Marlow Series – Prime Line Swimming Pool Pumps

Complete line of close and long coupled, self-priming pumps to meet exact requirements of every commercial pool and waterpark application.

### Features and Benefits

- Rugged Cast Iron or Welded Steel Construction
- High Efficiency Impeller
- Multi-vane Cast Iron Replaceable Diffuser
- 2" Through 4" Pumps in Both Close-Coupled and Frame Mounted Configurations
- 4" Through 6" Available Frame Mounted
- Adjustable Bearing Housing on Frame Mounted Models
- Integral Suction Check Valve
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Frame Mounted Models Equipped with Adjustable Bearing Carrier to Permit External Adjustment of Impeller Clearance
- NSF Certified

## Marlow Series – Stockline Swimming Pool & Waterpark Pumps

End suction centrifugal pumps stocked in 5 through 20 HP sizes for use on commercial pool and waterpark applications.

### Features and Benefits

- Rugged Cast Iron Construction
- Highly Efficient, Enclosed Bronze Impeller
- Cast Iron Casing with 125# Flat Face Flange Connections
- Broad Hydraulic Coverage
- Replaceable Shaft Sleeve Protects Shaft
- Ease of Maintenance
- Self-lubricating Mechanical Seal
- Back Pull-out Design
- Nationally Known Brand JM or JP Shaft Motors
- NSF Certified
