

Tractor Pac 130 CFM

PTO-Driven Rotary Screw Compressor Package Quick and Easy Mounting on Your Tractor's 3-Point Hitch

Vanair's Tractor-Pac is a totally self-contained PTO-driven rotary screw compressor package designed for quick and easy mounting on your tractor's 3-point hitch. Deriving its power directly from the tractor's PTO, the lightweight simple design allows for easy service and maintenance and requires no electrical controls or connections. The Vanair Tractor-Pac comes with the industry's only Lifetime warranty on its air end.

Compressor Dimensions with fittings (in.) – 34L x 34W x 49H
